

Annual Action Plan 2007/08

Here are the actions for 2007/08 from our RRP:

Proposal	Action	Target Completion Date	Lead Officer	Progress
Co-responder Scheme	Initiate pilot scheme	April 2007	Director OPDS	Co-responder scheme not advanced post precedent in legal ruling on role of Firefighter. Additional first aid equipment procured and our personnel are being trained in its use to offer advanced first aid skills at incidents, and employing defibrillator equipment. Memorandum of Understanding developed with Ambulance Service on service's role and consultation with representative bodies on initiatives.
Rollout IPDS and provide effective and efficient training	Continue to develop initiatives and Integrated Personnel Development System	Ongoing	Director HR	Rank to Role has been introduced, a policy on development to competent pay is in draft form and other aspects of IPDS are being embedded into the organisation
Special Appliance Review	Produce report with proposals	June 2007	Director Intervention	Currently with Directors / Fire Authority awaiting approval
Consult public on changes of fire cover to Bargoed and Cefn Fforest		April - June 2007	Director Intervention	No consultation with the public has occurred as the Service is awaiting confirmation of the land identified as suitable for a new station
Consider the working patterns of all staff who deliver directly to the public	Monitor other services' pilots	December 2007	Director HR	Ongoing
To engage all sectors of the Community	Work with Wales Council for Voluntary Action to engage the community at large	Ongoing	Director Risk Reduction	This is still ongoing, our programmed meeting had to be cancelled, and has been re-arranged
Recruit RDS staff at Caldicot, Cowbridge, Ely, Abercarn and Abertillery	Set up recruitment campaign and train staff	Ongoing	Director HR	At present a timetable is being devised with regard to the recruitment
