FOI REQUEST

Please provide us with details of all formal and informal fire service attendances and reports relating to the Crown Inn, Pyle Road, Pyle, CF33 6PL, including details of anti-social behaviour reported at the premises together with deemed fire risks or potential injury and actual outbreaks of fire or damage. Please provide information relating to which incidents have been reported by the Fire Service to the Police or to the local authority or any other Government body or agency.

FOI RESPONSE

Please find attach list of incidents attended at Crown Hill, Pyle Road, Pyle in the last ten years.

The attached list reports the incidents recorded in our Command & Control System. Please note that we do not have access to any other systems that record attendances.

We do not hold details regarding anti-social behaviour which may / may not have been reported to the police, local authority or other government agency or body. However our Fire Crime Department has knowledge of anti-social behaviour at the premises which was concrete blocked until they were smashed through. The building was then secured by plywood but this was torn back down. On each visit there are new signs of anti-social behaviour in terms of new graffiti on the building and more rubbish, cans etc around the area.

Under the Fire Safety Order a disused premises would not require a fire risk assessment.
