RAISING AWARENESS - REDUCING RISK

Dear Neighbour,

As Station Commander of Duffryn Community Fire Station, I would like to share our plans for the year ahead with you. These will provide you with an even better local service.

As ever, we aim to respond to your calls for help as quickly as we can. We intend to work harder than ever to prevent emergencies occurring in the first place. During the next twelve months we aim to:

- Carry out FREE Home Fire Safety Checks and install smoke alarms free of charge where required. (Call 0800 169 1234) or visit the Fire Station to book an appointment.
- Visit all our local schools to educate eight and eleven year olds in the dangers of fire.
- Carry out local arson vulnerability assessments and work with local services to remove litter and other potential fire hazards.
- Work with the Police and the Council to reduce the number of deliberate car fires in and around the Newport area.
- Work with the Police and other partners to educate younger drivers and reduce road traffic collisions.
- Have someone on the Station to provide free Home Fire Safety advice and guidance everyday from 9:00am until 9:00pm.
- Continue to visit factories and industrial sites on a regular basis to ensure we are adequately prepared in the event of a fire.

- Carry out continuous off-Station training exercises to make sure Firefighters remain in a high state of readiness.

Regards,
Station Commander,
Duffryn Community Fire Station
