Fire and Rescue Service

Thank you for showing an interest in becoming a Volunteer with South Wales Fire and Rescue Service (SWFRS).

We are currently seeking volunteers from a variety of backgrounds that can bring a range of skills and experience to the organisation.

We value all volunteers because they give their time and skills freely to assist people in various activities. Volunteering with us is rewarding as it offers the opportunity to meet new people, undertake new challenges and experiences and provides the satisfaction that comes from making a real contribution to the safety of communities in South Wales.

Volunteers must be over the age of 16 to apply. Please note that some activities will require volunteers to be over the age of 18.

Please find enclosed a copy of our application pack, which will tell you about our activities and the ways in which you can become involved.

Once you have completed your application form please return as follows:

You will find attached a copy of our Volunteer Application Form and Equal Opportunities monitoring form which will need to be completed and returned.

Please make sure that you complete all areas of the form.

All applicants are required to disclose details of any unspent convictions in accordance with the Rehabilitation of Offenders Act 1974. Any disclosure of an unspent conviction will not automatically prevent you from volunteering unless the nature of the offence renders you unsuitable for the role. All disclosures will be considered on an individual basis.

Volunteers will be required to undertake an Enhanced Disclosure and Barring Service check. The DBS Checks will be facilitated by SWFRS and further information will be provided as part of the recruitment process.

If, however, you would like to discuss the volunteering roles in more detail or have any general enquiries about volunteering with SWFRS please contact:
