## Fire safety message

By signing up to the Visit Wales Grading scheme you are agreeing to comply with all associated statutory requirements. Fire safety is one such statutory requirement. Under the Regulatory Reform (Fire Safety) Order 2005 if you have paying guests then fire safety law applies and you must:

- Carry out a fire risk assessment
- If necessary improve your fire safety measures
- Keep the risks, and your fire safety measures under review

The Welsh Government has produced guides aimed at supporting businesses who provide sleeping accommodation in the form of:

### Do you have paying guests?

### Fire Safety Risk Assessment-Sleeping Accommodation

### Guides

Both of these guides are **FREE** to download off the internet.

The three Fire and Rescue Services in Wales can also offer advice on how to comply with your statutory requirements, and can be contacted on:
