Post number: 503046

South Wales Fire and Rescue Service is one of the largest, most successful and highest performing Fire and Rescue Services in the UK serving over 1.5 million people across 10 Constituent Unitary Authorities stretching from Bridgend to Monmouth and from Cardiff Bay to Brecon Beacons National Park.

Technology is a critical component in how South Wales Fire and Rescue Service support the delivery of its day-to-day activities. Whether it's mobilising our crews to operational incidents, ensuring they have access to risk critical information, or supporting back office functions in the management and control of our resources, technology touches every part of our Service.

An exciting vacancy as arisen in the ICT Department for an Communications Senior Engineer.

The successful applicant will provide day to day supervision and specialist support to ICT Engineers within the Communications team. He/she will ensure that support desk calls within the ICT Communications team are allocated, escalated where needed and resolved. He/she will also be involved in a wide variety of challenging projects and support the implementation of the Department's Business Plans.

Welsh language skills are desirable but not essential for this post.

To find out more about this job role please contact Chris Williams Head of ICT by e-mail: c-williams@southwales-fire.gov.uk or by phone: 01443 232050.

Prior to an appointment being made, the successful candidate will be required to undertake the following:-

- Drug and Alcohol Test
- Disclosure and Barring Service Check

An Application Form, Person Specification and Job Description can be downloaded from the Careers pages of our website www.southwales-fire.gov.uk . The closing date for receipt of applications is **12:00, mid-day, Monday 25 th March, 2019.**

Completed Application Forms should be returned to personnel@southwales-fire.gov.uk or via post to: The Recruitment and Assessment Team, South Wales Fire & Rescue Service Headquarters, Forest View Business Park, Llantrisant, CF72 8LX. The date for the selection stage is to be confirmed.

We are a family friendly organisation and a flexible working system is in operation.

This document is also available in Welsh. You are welcome to communicate with us in either English or Welsh. Application forms submitted in Welsh will not be treated less favourably.

South Wales Fire and Rescue Service believes in the real value of having a diverse workforce and we proactively want to encourage applicants from all sectors of our community to apply.
