<p>I am writing to request some information under the Freedom of Information Act.</p> <p>Could you please tell me how many call outs you received to remove obese patients from their homes over the last ten years.</p> <p>In each case please make clear whether you were called by paramedics or called from the home directly.</p> <p>Since 2010 we have attended 86 incidents where we have assisted a bariatric out of their home. Of the 86 incidents 21 of them (24%) occurred during the 2015/16 financial year. Out of the 86 incidents 60 of them (69.8%) we were called directly by the Ambulance service to assist. Whereas there were only 11 incidents we attended where the origin of call was the home directly.</p>
