FOI REQUEST			

Please would you be able to provide me with the following information:

1) Name of person responsible for your fleet of vehicles?

In reference to your request for direct contact details SWFRS operates a single point of contact policy. All callers are requested to contact the Service via HQ Reception on 01443 232000. The call will be directed to the most appropriate department/individual to deal with your call.

This is the same for email correspondence. Please direct all emails enquiries to swfs@southwales-fire.gov.uk so that your request can be directed as appropriate.

This policy is in operation to ensure that calls/emails are dealt with more efficiently – as structures/posts can change, this prevents emails being sent to individuals whose role may have changed. It also prevents individuals from receiving unwarranted calls/correspondence.
