Under the Freedom of Information Act 2000, Please tell me:

1. Does your organisation have a Facebook Page(s)? If yes, what is/are the url(s) and when were they set up?

Yes

(Every Facebook page has metadata attached to it, which developers can access to pull out specific details regarding that page. Unfortunately, a Facebook page's creation date is not part of its available metadata, so there is no fool proof way to locate an official creation date. With this in mind an approximate creation date has been identified below.)
