--------------	---------------------	------------------------	----------------

FOI REQUEST

Under the Freedom of Information Act 2000 I seek the following information:

- 1. For 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016 and 2017 (to date), please break down by year:**
 - a. The number of on site inspections of premises carried out by fire service personnel**
 - b. The number of specialist fire safety inspectors (not fire station firefighters) in post**
 - c. The numbers of "Alterations Notices" served by the fire authority in respect of major works proposed on any tower block**
 - d. The number of "Enforcement Notices" served by the fire authority on any tower block**
 - e. The number of "Prohibition Notices" served on any tower block because the risk to persons from fire was "excessive"**
 - f. The number of prosecutions of any "Responsible Person" with control of the common parts of the tower block because of the offence of placing relevant persons at risk of death or serious injury from fire. NB the term "at risk" which implies that a fire does not have to occur for the offence to be committed.**

Please see the attached Appendices.

2. Any documents relating to the training of fire inspectors

Please see the attached spread sheet Business Fire Safety Staff Skills Matrix.

You will notice that any names or information that may identify individuals has been removed. The release of such information could be considered a breach of Data Protection legislation and is therefore exempt from disclosure by virtue of Section 40 (2) of the Freedom of Information Act, covering personal data.

Based on all premises

Tower Blocks based on 6 storeys and over
