

# Celebrate Safely

## Fireworks

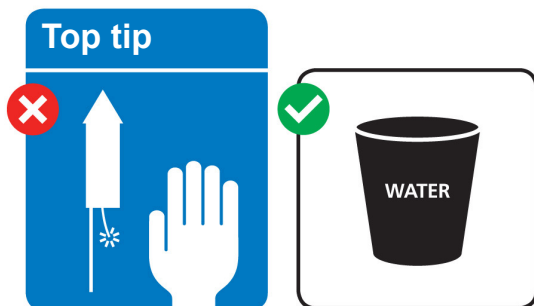

The Welsh Fire and Rescue Services recommend you attend an organised display.

### Don't:

- Don't go back to a lit firework – even if it hasn't gone off it could still explode
  - Don't throw fireworks or put them in your pocket
  - Don't drink alcohol if you are setting off fireworks
  - Don't use paraffin or petrol on a bonfire
- Follow the instructions on each firework. Use a torch to read them not a naked flame
  - Light fireworks at arm's length, using a taper
  - Make sure everyone stands well back
  - Always supervise children around fireworks and never give sparklers to children under five

### Do:

- Keep a bucket of water nearby
  - Store fireworks in a closed box and take them out one at a time
- Light sparklers one at a time and wear gloves
  - Keep pets indoors.
  - Make sure all fireworks comply with approved standards and regulations

**Never go back  
to a lit firework**
