

Hello!
I'm Sbarc,
can you help me
find all the
missing words?

Keeping safe in the home

It is important that everyone has an **escape plan** in the event of a fire. This is especially important if the fire happens at night, when most people are asleep.

Choose the correct words from the box (below) to finish the sentences.

alarm	escape	rescue	doors	wait	address
plan	awake	calm	window	path	
panic	phone	tested	discuss	careful	

1. It is very important that every house has a working smoke a_____.
2. The smoke a_____ must be t_____ every week to make sure it works.
3. It is important to d_____ an e_____ plan with everyone that lives in the house.
4. It is essential that the e_____ p_ th is clear and that there are no obstacles in the way.
5. It is a good idea to close all the internal d_____ before going to sleep. This will slow down the spread of a fire.
6. If a fire starts, it is important to remain c____. Do not p_____.
7. 999 is the number to ph_____ in an emergency.
8. Speak slowly and clearly on the ph_____ and give the Fire Service your a_____.
9. Make sure that everyone inside the house is a_____.
10. If it is not possible to leave the house safely through the front door, then gather together in one room. Shut the door. Open a w_____ and shout for help.

Wait for the Fire Service to r_____ you.
