We hold information on items 4 -10, however disclosing the full details of our contracts we have in place on goods and services, including procurement details such as spend, is exempt under section 43(2) of the Act on the basis that disclosure of this information would or would be likely to, prejudice the commercial interests of any person (including an individual, a company, or any other legal entity).

With regard to your request for direct contact details, SWFRS operates a single point of contact policy. All callers are requested to contact the Service via HQ Reception on 01443 232000. The call will be directed to the most appropriate department/individual to deal with your call.

This is the same for email correspondence. Please direct all emails enquiries to swfs@southwales-fire.gov.uk so that your request can be directed as appropriate.

This policy is in operation to ensure that calls/emails are dealt with more efficiently – as structures/posts can change, this prevents emails being sent to individuals whose role may have changed. It also prevents individuals from receiving unwarranted calls/correspondence.
