## RE: Request for Information held by SWFRS

Your request ref: IG000192 has been dealt with under the Freedom of Information Act 2000.

You asked us:

1. Are there any High-Rise Residential buildings in your response are, if yes how many and what is the size of the tallest structure?
2. When it comes to confirmed and unconfirmed fires in High-Rise buildings, what is your Pre-Determined Attendance?
3. Since the Grenfell fire have you made changes to your Pre-Determined Attendance
4. How many mobilizations have you had for High-Rise building fires per year in the last three years? Out of these responses what is the total amount in which firefighting actions had to be carried out?
5. Is there an operational policy for dealing with High-Rise Buildings? If so, would it be possible to share the operational policy information with me?
6. As a result of a couple of high-rise building fires there is major concerns on the stay put policy. Therefore, can you best describe from a fire officers point of view, until what circumstances does the stay put policy need to be overcome during a fire by the fire service?
7. As a result of the Grenfell fire can you summarize the main changes to your procedures.
8. Does your firefighting personal undertake familiarization visits to High-Rise buildings? If so, how frequent?
9. As a result of the phase 1 Grenfell Enquiry recommendations. How have you changed the way you manage or control evacuation procedure?
10. What do you think are the most positive things you have changed to improve evacuation procedures?
