

MULTIMEDIA DEVELOPER
Technical Services Directorate
Training & Development Department

Full Time Position – 37 Hours
Fixed term contract – 24 months

GRADE 7: £23,541 - £24,491 per annum

An exciting opportunity has arisen to appoint a Multimedia Developer, who will work within our Training & Development Department and will be based at Cardiff Gate Training & Development Centre initially.

The successful applicant will be responsible for developing and producing content for the organisations new Learn Pro package, using a variety software such as Articulate, Lectora, and Lab Advance etc. ensuring all our staff have the most up to date e-learning training available for them to serve our communities needs and succeed in making South Wales safer.

The successful candidate will be enthusiastic, self-motivated and approachable in order to develop professional working relationships with a range of personnel within the fire service spectrum. This rewarding post will require the successful candidate to work collaboratively with other departments in the organisation.

The post-holder will also support the organisations Training Support Unit in producing visual materials for inclusion in interactive multimedia packages, provide specialist support to develop and produce imaginative designs/documents. Along with collaborating with other Multimedia Developers across the organisation and in other Fire & Rescue Services to create innovative development packages for South Wales Fire & Rescue Service.

An Application Form, Job Description and Person Specification can be downloaded from the Working with Us/Latest Vacancies page of our website at www.southwales-fire.gov.uk Please note we do not accept CVs.

The closing date for receipt of applications is **Tuesday 19th October 2021 at 12 noon**. Interview date to be confirmed. Completed applications should be returned to: The Recruitment and Resourcing Team, South Wales Fire & Rescue Service Headquarters, Forest View Business Park, Llantrisant, CF72 8LX or via email: personnel@southwales-fire.gov.uk

The successful candidate will be subject to a satisfactory Disclosure and Barring Service check and be required to undertake a Drug and Alcohol Test prior to an appointment being made.

All documentation is available in both in English and in Welsh and we welcome communication in either language. Applications submitted in Welsh will not be treated less favourably.

We are a family friendly organisation and a flexible working system is in operation.

SWFRS believes in the real value of having a diverse workforce and we proactively want to encourage applicants from all sectors of our community to apply.
