UPDATE COVID-19: Information Requests

We are kindly asking that any data protection correspondence come to Information Governance & Compliance via email, as due to Government advice many of our support staff are working flexibly and we may not be in receipt of physical post as normal. SWFRS anticipates that it may take us longer than 20 working days to complete Freedom of Information Requests and Subject Access Requests. The Information Commissioner recognises that there might be delays as our services and resources may be being utilised in slightly different ways, under the current unprecedented circumstances. At current, we are no longer accepting physical postal cheques, however we can accept BACs payments for items that carry a fee (such as IRS Reports and Interviews, where appropriate following standard procedure and charges).

We would like to thank you for your patience at this time.
