RE: Request for Information held by SWFRS

Your request ref IG000222 has been dealt with under the Freedom of Information Act 2000.

You asked us:

How many (a) wholetime firefighter, (b) retained firefighter, (c) fire control room, (d) support staff and (e) total staff there were employed in your Fire and Rescue Service, measured by headcount, on 31 March 2019 and 31 March 2020.

We also request the (f) number of wholetime firefighters employed by your fire and rescue service as of 31 March 2019 and 31 March 2020 (headcount) that also work a retained contract, and therefore could be described as "wholetime-retained". To clarify, we only request the number of wholetime firefighters with an additional retained contract – we are not asking whether it is with your own or another fire and rescue service.

Our response:

UPDATE COVID-19: Information Requests

We are kindly asking that any data protection correspondence come to Information Governance & Compliance via email, as due to Government advice many of our support staff are working flexibly and we may not be in receipt of physical post as normal. SWFRS anticipates that it may take us longer than 20 working days to complete Freedom of Information Requests and Subject Access Requests. The Information Commissioner recognises that there might be delays as our services and resources may be being utilised in slightly different ways, under the current unprecedented circumstances. At current, we are no longer accepting physical postal cheques, however we can accept BACs payments for items that carry a fee (such as IRS Reports and Interviews, where appropriate following standard procedure and charges).

We would like to thank you for your patience at this time.
