RE: Request for Information held by SWFRS

Your request ref: IG000263 has been dealt with under the Freedom of Information Act 2000.

You asked us:

Could I get please information on the fires in the last 5 years in Bridgend Town Centre? This will help identify the buildings which need to be improved in the masterplan.

This was a follow up question based on a response previously given for request IG000205

Our response:

Please see attached document.

Please Note: The map accompanying the original request included various boundary lines. As none of these was specified, the approximate area covered by the map has been used as the reference area, in map format as requested. The updated map attached uses the same reference area view. This illustrates all fires attended from 01/04/2015 – 31/03/2020 based on IRS records using incident coordinates and does not differentiate property type or motive. This may be subject to change pending completion/validation of IRS records.

If you have any queries regarding your Freedom of Information request, please contact us at Dataprotection@southwales-fire.gov.uk quoting the reference number above in any future communication.

If you are dissatisfied with the way that your information request has been handled, you can request an internal review by emailing Dataprotection@southwales-fire.gov.uk

UPDATE COVID-19: Information Requests

We are kindly asking that any data protection correspondence come to Information Governance & Compliance via email, as due to Government advice many of our support staff are working flexibly and we may not be in receipt of physical post as normal. SWFRS anticipates that it may take us longer than 20 working days to complete Freedom of Information Requests and Subject Access Requests. The Information Commissioner recognises that there might be delays as our services and resources may be being utilised in slightly different ways, under the current unprecedented circumstances. At current, we are no longer accepting physical postal cheques, however we can accept BACs payments for items that carry a fee (such as IRS Reports and Interviews, where appropriate following standard procedure and charges).

We would like to thank you for your patience at this time.

If you remain dissatisfied with the handling of your request, you have the right to appeal to the Information Commissioner at:

Information Commissioner's Office-Wales,
2nd Floor,
Churchill House,
Churchill Way,
Cardiff,
CF10 2HH.

There is no charge for making an appeal.

Yours Faithfully

Information Governance and Compliance
