RE: Request for Information held by SWFRS

Your request ref: IG000302 has been dealt with under the Freedom of Information Act 2000.

You asked us:

I appreciate getting back to me in these difficult circumstances. After reviewing the statistics you've sent me I believe there is a piece missing from what I requested.

The statistics cover four stages: sift, ability, physical and selection, however the final statistics on those chosen after the interview stage (candidates who passed the interview and got accepted) are not included.

I apologise for the inconvenience but this information is important to me.

Our response:

Every one that passed the interview have been informed that they will go on a course.

We have filled an April course with 18 people and August with 12 people. We are arranging for 12 in September. The remaining ones on the list will be on courses during 2021.

If you have any queries regarding your Freedom of Information request, please contact us at Dataprotection@southwales-fire.gov.uk quoting the reference number above in any future communication.

If you are dissatisfied with the way that your information request has been handled, you can request an internal review by emailing Dataprotection@southwales-fire.gov.uk

UPDATE COVID-19: Information Requests

We are kindly asking that any data protection correspondence come to Information Governance & Compliance via email, as due to Government advice many of our support staff are working flexibly and we may not be in receipt of physical post as normal. SWFRS anticipates that it may take us longer than 20 working days to complete Freedom of Information Requests and Subject Access Requests. The Information Commissioner recognises that there might be delays as our services and resources may be being utilised in slightly different ways, under the current unprecedented circumstances. At current, we are no longer accepting physical postal cheques, however we can accept BACs payments for items that carry a fee (such as IRS Reports and Interviews, where appropriate following standard procedure and charges).

We would like to thank you for your patience at this time.

If you remain dissatisfied with the handling of your request, you have the right to appeal to the Information Commissioner at:

Information Commissioner's Office-Wales,
2nd Floor,
Churchill House,
Churchill Way,
Cardiff,
CF10 2HH.

There is no charge for making an appeal.

Yours Faithfully

Information Governance and Compliance
