## **SOUTH WALES FIRE & RESCUE SERVICE**

### **SUSTAINABILITY OFFICER (Secondment Opportunity)**

**37 HOURS PER WEEK  
GRADE 13 - SALARY: £36,371**

Please note that all salaries are subject to job evaluation.

South Wales Fire and Rescue Service are looking to appoint a Sustainability Officer on a permanent basis.

The successful candidate will be responsible working across various departments to create, manage and deliver environmental sustainability projects and initiatives ensuring that our Service meets the legislative requirements and adopts best practice in delivery of our services to the citizens of South Wales.

Applicants must be able to use creativity and technical knowledge to design and deliver initiatives and raise awareness across the Service. This post reports directly to the Property Strategy Manager but will also work closely with other senior officers across the team's entire remit (sustainability, energy, fleet, waste etc.). The successful candidate will have significant input into other aspects of the Service's environmental sustainability strategy and policies as required.

Candidates must be able to demonstrate an excellent understanding of environmental sustainability, be creative and solution focused. A keen eye for detail and strong analytical skills are essential for this post, alongside excellent numerical, written and verbal communication skill set. Working closely with varying senior officers it is imperative that applicants have the ability to express and present complex information accurately, clearly and concisely both orally and in writing are skills vital to the role.

The successful candidate will be subject to a satisfactory Disclosure Scotland check and be required to undertake a Drug and Alcohol Test prior to an appointment being made.
