An exciting opportunity for an Apprentice LGV Technician has arisen in the Fleet & Engineering Workshops based at our Headquarters in Llantrisant. The Service operates a fleet of over 400 vehicles and the successful candidate will be part of a team and their role includes the servicing, repair and maintenance of vehicles, plant and specialist equipment.

The position of Apprentice LGV Technician is challenging and rewarding. The successful candidate will be expected to develop their level of technical expertise and knowledge of safe working through a programme of Further Education both within the workplace and College environment.

Candidates should be able to demonstrate a basic level of mechanical aptitude. A desire to learn and understand the many automotive engineering disciplines which form part of a Technician's overall skills is also essential. The post holder will be expected to achieve the Foundation Apprenticeship Level 2 and 3 qualifications alongside their day to day work.

The benefits of Working With Us include:-

- On-site gym facilities
- Local Government Pension Scheme
- Free car parking on-site
- Access to the Services benefits and welfare schemes
- 25 days annual leave plus bank holidays

Candidates who wish to be considered:-

- Cannot already hold a higher or conflicting qualification in the same subject area
- Cannot be undertaking any other government funded qualification

Welsh Language Skills

We are committed to being able to support the rights of Welsh speakers to receive quality services through the medium of Welsh and as such it is desirable that the successful candidate can speak Welsh and is willing to do so within their day to day work.

All documentation is available in both Welsh and English and we welcome communication in either language. Applications submitted in Welsh will not be treated less favourably. Candidates successful at the Shortlisting stage will be given the opportunity to confirm their language preference for interviews and assessments (including paperwork, verbal introductions and interview questions). Arrangements will be confirmed following invitation to interview and may include Translation and/or Simultaneous Translation.
