Post number: NU036

South Wales Fire and Rescue Service is one of the largest, most successful and highest performing Fire and Rescue Services in the UK. Serving over 1.5 million people across 10 Constituent Unitary Authorities, from Bridgend to Monmouth and stretching from Cardiff Bay to Brecon Beacons National Park.

A vacancy has arisen in the Fleet & Engineering Services Department as a Workshop Supervisor. The main purpose of this post is to oversee the activities of the Fleet & Engineering Workshops, ensuring consistently high quality alongside the supervision of an efficient and cost effective maintenance facility. This role is pivotal in ensuring that the Fleet and Engineering departments fully meet the demands of South Wales Fire & Rescue Service's fleet of vehicles and plant equipment.

The successful applicant will be responsible for the supervision of the Fleets' effective operation, providing a 24 hour emergency call out scheme and attending major incidents involving Fire & Rescue Service vehicles as required.

Experience of supervising a large Fleet & Engineering Department, in a Blue Light or equivalent environment is essential. Applicants must have a proven track record of adherence to procedure, ensuring staff have the necessary skills to meet changing demands.

Welsh language skills are desirable, but not essential for this post.

We are a family friendly organisation and a flexible working system is in operation.

The successful candidate will be subject to a satisfactory DBS check and be required to undertake a Drug and Alcohol Test prior to an appointment being made.

An Application Form, Job Description and Person Specification can be downloaded from the Careers page of our website at www.southwales-fire.gov.uk.

The closing date for the receipt of completed Application Forms is 12 noon on **Friday 11th November** and completed applications should be returned to personnel@southwales-fire.gov.uk

All documentation is available in both in English and in Welsh and we welcome communication in either language. Applications submitted in Welsh will not be treated less favorably.

Please note that all salaries are subject to job evaluation.
