

Multimedia Developer

Ref: NU114

GRADE 8 – SALARY: £28,371-£29,439 pro-rata

18 hours per week

Temporary Vacancy – 6 months

An exciting opportunity has arisen for a Multimedia Developer within South Wales Fire and Rescue Service's Technical Support Unit. This role will be based at Cardiff Gate Training and Development Centre, Church Road, Old St. Mellons, Cardiff, CF3 6YA. We are a family friendly organisation and a flexible working system is in operation.

Working as part of the Technical Support Unit and reporting to the Team supervisor and Operational Development Station Manager. The successful candidate will provide a high quality and efficient design and multimedia service through the creation, development and production of multimedia assets and materials to support all service activities relating to training learning, development and ongoing skills competency in support of the Services Training and Development Department.

Excellent organisational skills are required, accuracy and attention to detail are also essential for this role, as well as an ability to communicate effectively across all levels, with a range of internal and external stakeholders. Training in South Wales Fire and Rescue Service software systems will be provided.

This role may involve some occasional travelling between sites throughout the South Wales area. The successful candidate must be able to travel independently.

The ability to speak Welsh is desirable but not essential for this post.

Applications are invited from candidates with suitable experience as outlined in the Person Specification. All appointments are subject to a driving licence check, drug and alcohol test and medical assessment.
