Multimedia Developer

Post Number: 504044
Grade 8
37 hours per week
Permanent
Salary range: £30,296 - £31,364 per annum

An exciting opportunity has arisen for a **Multimedia Developer** within South Wales Fire and Rescue Service's Training Support Unit. This role will be based at Cardiff Gate Training and Development Centre, Church Road, Old St. Mellons, Cardiff, CF3 6YA. We are a family friendly organisation and a flexible working system is in operation.

Working as part of the Training Support Unit and reporting to the Multimedia Development Team Leader, the successful candidate will provide a high quality and efficient design and multimedia service through the creation of training materials to support all Service activities relating to training, development, and ongoing skills competency.

In addition, they will provide technical expertise in the operation of the team's ICT systems including PDRpro and Learnpro and will develop interactive scenarios for the provision of Incident Command training to South Wales FRS staff in conjunction with the Multimedia Development Team Leader.

Excellent organisational skills are required, accuracy and attention to detail are also essential for this role, as well as an ability to communicate effectively across all levels, with a range of internal and external stakeholders. Training in South Wales Fire and Rescue Service software systems will be provided.

This role may involve some occasional travelling between sites throughout the South Wales area. The successful candidate must be able to travel independently.

The ability to speak Welsh is desirable but not essential for this post.

Applications are invited from candidates with suitable experience as outlined in the Person Specification.

The successful candidate will be subject to an Enhanced with Barred List(s) Disclosure & Barring (DBS) criminal record check, driving licence check and will be required to undertake a Drug and Alcohol test and medical assessment, prior to an appointment being made.

Application Forms should be completed online though our e-recruitment system, which can be accessed via our website: https://www.southwales-fire.gov.uk/working-with-us/latest-vacancies/

If a paper version is required, please email: personnel@southwales-fire.gov.uk

All internal applicants applying should apply via their CORE portal, selecting "Current Vacancies" from the left-hand tab.

Please be aware the e-recruitment system will notify all applicants of results via the email address provided at application; please ensure you check all mail folders regularly.

The closing date for application forms is 26/04/24 **at 12:00 midday.**

All documentation is available in both Welsh and English and we welcome communication in either language. Applications submitted in Welsh will not be treated less favourably. Candidates successful at the Shortlisting stage will be given the opportunity to confirm their language preference for interviews and assessments (including paperwork, verbal introductions, and interview questions). Arrangements will be confirmed following invitation to interview and may include Translation and/or Simultaneous Translation.

South Wales Fire and Rescue Service believes in the real value of having a diverse workforce and we proactively want to encourage applicants from all sectors of our community to apply.
